AMERICAN ACADEMY OF PINECREST is accredited by the National Association for the Legal Support of Alternative Schools. Accreditation does not provide automatic acceptance by an institution of credit earned at another institution, nor does it give assurance of acceptance of graduates by employers. Acceptance of credits or graduates is always the prerogative of the receiving institution or employer. For these reasons, besides ascertaining the accredited status of a school or program, students should take additional measures to determine, prior to enrollment, whether their employment goals will be met through enrollment at AMERICAN ACADEMY OF PINECREST. Those measures should include inquiries to prospective employers.
